Program (Guard and Reserve component-wide), Family Program, Employer Support Program, financial Management Awareness Program, Sexual Assault Prevention and Response Program, Psychological Health Program, and Warrior Support Program) to ensure key activities may be associated with system-registrants for program management, accountability, reporting and support purposes. Examples of use of such information include, validating event registration and attendance, enabling users to login to system to facilitate outreach and communication activities, enabling leadership across the participating programs, with oversight and reporting.

In addition, JSS plans on collecting Civilian Employer Information (CE) from Service members. Defense Manpower Data Center (DMDC) will be ceasing its CEI website as of October 1, 2012. The service components as a result have been tasked to take over the collection of CEI prior to this date.
